Our hybrid program blends in-class learning with guided learning at home to create a well-rounded educational experience.

- 📚 Students participate in core academic classes along with music and physical education, helping them develop strong minds, creativity, and healthy habits.
- 🚌 The program includes special in-house field trips, bringing exciting, hands-on learning experiences directly to our students throughout the semester.
- 🎵 Each semester, students showcase their growth and creativity through musical performances, celebrating their learning with families and the school community.
- 🏠 At-home learning days take place on Tuesdays and Fridays, when parents guide and support their child's continued learning and exploration.
- 💻 Teachers and families stay connected through Google Classroom, the main hub for communication, assignments, resources, and program updates.
