### New Medication Policy for 2026

#### Important Update for Parents and Guardians

In 2026, we are introducing a significant change to our medication policy to ensure the health and safety of all campers. All camper medications, supplements, and vitamins - whether prescription or over-the-counter - are required to be BLISTER PACKED BY A PHARMACIST.

Please set up an account with [www.packmyrx.com](http://www.packmyrx.com). This service will package all medications, supplements, and vitamins for your camper and deliver them to camp prior to their session start-date. If you are not able to have your camper's medications filled by PackMyRx, please reach out to us at [campthunderbird@ymcacharlotte.org](mailto:campthunderbird@ymcacharlotte.org) to discuss an alternative.

#### PackMyRx Details

**Account Setup:** Parents and guardians must set up an account on PackmyRX.com for their camper. This is a necessary step to ensure that all medications are correctly packaged and delivered to camp.

**Fee:** There is a \$25/week registration fee (not to exceed \$75) associated with this service, payable during the account setup on the PackmyRX.com platform.

**No Exceptions:** Please note that no medications, supplements, or vitamins will be accepted at camp unless they have been packaged and sent through PackmyRX.com or by another alternative planned with the camp team. This policy applies to both prescription and over-the-counter items.

**Mandatory Acknowledgment:** All parents are required to read and acknowledge the Camper Medication form, even if the camper does not have daily medications.

#### Why We Made This Change

We understand that this is a change from previous years, and we appreciate your cooperation. This new policy enhances camper safety, which is our top priority. By using PackmyRX.com, we can ensure that all medications are labeled and dispensed accurately, minimizing the risk of errors and ensuring that your camper receives their medications as prescribed.

We are committed to ensuring the well-being of every camper and appreciate your support in implementing this new system. If you have any questions or need assistance with the process, please do not hesitate to contact us.

Thank you for your understanding and cooperation in keeping our camp community safe and healthy!

Does your camper take daily medications?

yes

no

*All Campers: Medication Policy Acknowledgement (continued)*

**For:** \_\_\_\_\_

Please enter each medication, supplement, or vitamin that your camper will receive at camp in their UltraCamp profile. You can do this by clicking on your child's name on your dashboard and navigating to the tab titled 'medications.'

**NO MEDICATION WILL BE ACCEPTED UNLESS PACKED BY packmyrx.com (or according to an approved exception with camp staff).**

I acknowledge the medication policy and understand that all medications, supplements, and vitamins will need to be packed through packmyrx.com or according to exception guidelines.
