BUILDING AQUATIC LEADERS

Our Lifeguards receive: free Y membership, free certifications, discounts on programs, work alongside of your friends, professional development, impact the lives of those around you, and flexible schedules, with our globally recognized organization.

MAKE AN IMPACT

Ensure the safety of our swimmers, create a fun environment, build relationships, use life saving skills you will carry with you throughout your future!

SO... CAN I ACTUALLY DO THIS JOB!?

Are you at least 16 years old, can you display a professional and mature image, and do know how to have fun!? Can you interact with people of all ages? Can you swim...even just a little? We will train you on the rest!
