Dear Prospective YMCA Volunteer:

Thank you for committing your time and special talents to the YMCA of Greater Charlotte. At the Y, we believe that when people come together for a common cause, the whole community is strengthened. When you become a volunteer, you can share your blessings with those who need it most. Whether you mentor a student on the verge of dropping out, coaching a team to their personal best or become a friend to an isolated senior, your time and talent changes lives. When you help a neighbor, you make a difference in their life...and yours.

The YMCA of Greater Charlotte is an association of members who come together with a common understanding of the YMCA mission and a common commitment to the YMCA's vision of building strong kids, strong families and strong communities. Whatever the facility, whatever the program, what doesn't change are the people. Each YMCA is different, reflecting the needs of its Y community. What every Y has in common is a dedicated group of people: volunteers, staff, members and donors, all of whom are committed to our mission. It is the **people of the YMCA** who build strong kids, strong families, and strong communities- and **you** can help.

Thank you for helping the Y to achieve excellence in all of our undertakings, and to put clear Christian principles into practice through programs that build healthy spirit, mind, and body for all. We hope you enjoy your time at the YMCA and be assured that you are valuable to the YMCA and greatly appreciated by staff and members. For more information about the volunteer program at the Y please contact your center's volunteer coordinator.

Sincerely,

YMCA of Greater Charlotte

## YMCA OF GREATER CHARLOTTE VOLUNTEER HANDBOOK

"At the heart of this organization, at the heart of its heritage of mind, spirit, and body, there is that little element of love that transforms routine work into meaningful activity that makes a person feel important even when they don't think they are. That's the business of the YMCA. That's what you do when you give your skills and your talents to another generation."

**Andrew Young**

The YMCA was founded in London England, in 1844, as the Young Men's Christian Association, to help people develop character in their daily lives. After World War I, women and girls became an active part of the YMCA movement. In the 1960s and 1970s, families became a major focus. Today, more than half of all YMCA members and staff

Members are women and girls. Simply put, the YMCA is a place where all are welcomed and strong values prevail. Today, YMCAs are alive and well in more than 140 countries across the globe.

The YMCA defines a “volunteer” as anyone who, without financial compensation or expectation of compensation beyond reimbursement of out-of-pocket expenses, performs a task at the direction of and on behalf of the YMCA of Greater Charlotte.

## Safety

### Safety and Health Rules

Volunteers are to observe all safety and health rules and use care to prevent accidents. Some of our safety and health rules include, but are not limited to:

- Observe all hazard warning and no smoking signs.
- Use all safety equipment required for your assignment, including wearing appropriate personal protective equipment for eyes, face, head, hands, and other extremities.

- Refrain from running, fighting, horseplay, or distracting others.
- Please report any unsafe items to the closest YMCA staff person immediately.

### Blood borne Pathogens

The YMCA subscribes to the concept of “universal precautions,” which means that all human blood or other body fluids must be treated as if they are contagious. Universal precautions mean that you are expected to use certain procedures and to use personal protective equipment when necessary. (Dependent on the length of time you are volunteering for, you may or may not have to attend these training courses.)

### Child Abuse Prevention Guidelines

A principal endeavor of the YMCA is to provide a healthy atmosphere for the growth and development of children. Thus, the mistreatment or neglect of children, and the resulting severe effects, is of primary concern to the YMCA. Child abuse is mistreatment or neglect of a child by parent(s) or others resulting in injury or harm. Abuse can lead to severe emotional, physical, and behavioral problems. Because of our concern for the welfare of children, the YMCA has developed policies, procedures and training to aid in the detection and prevention of child abuse.

**Volunteers are required to read and sign all policies related to identifying, reporting, and documenting child abuse.** Some of the guidelines you are expected to follow are:

- At all times avoid being alone with a single child where staff or other adults cannot observe you.
- Dating a program participant under age 18 is not allowed.
- Children may not be disciplined by use of physical punishment or by failing to provide necessity of care.
- Verbally, physically, sexually, or emotionally abusing or punishing children is not permitted.
- Children may be informed in a manner that is age- appropriate to the group of their right to set their own “touching” limits.

FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

- Children should be released only to authorized persons. Volunteers will not be responsible for the release of children, only to keep watch for anything out of the ordinary.
- Any information regarding abuse or potential abuse should be documented in writing.
- At the first reasonable cause to believe that child abuse exists, it must be reported to your YMCA supervisor or center executive.
- If the YMCA has reason to believe that a volunteer abused a child, his or her conduct will be reported to the appropriate authorities, and the volunteer's YMCA involvement will be immediately terminated.
- If you need to report suspected Child Abuse and don't feel comfortable doing so in person, please call the YMCA's reporting hotline at 704-716-7556 to report any violation of a policy.

**To avoid being suspected of abuse, please observe the following guidelines:**

- Staff will follow the "rule of three" in taking children to the bathrooms, locker rooms, and shower areas. Volunteers are not responsible for restroom breaks but may be asked to assist to stay in compliance with the rule of three.
- If a child is injured and requires first aid, he/she will be examined in the presence of at least 2 adults.
- Children may not be touched in areas of their bodies that would be covered by swimming suits.
- Position yourselves on playgrounds and during nap times where staff can see you at all times.
- Program volunteers should be alert to the physical and emotional state of all children each time they report for a program and indicate in writing any signs of injury or suspected abuse.
